BE ADVISED

Most tenants have their lease terminated for being inherently lazy, messy, and/or inconsiderate of others. STOP NOW if in any way you are inherently lazy, messy, inconsiderate of others, do not like to follow rules, or seek to assign blame to others for your own actions/decisions.

With private living, you can do whatever you want, whenever you want, and however you want. With community living, before every action, you have to stop and ask yourself, "How does this impact other people?"
